

CHIME LIVE

Audience Engagement with Live Video

Chime Live can help overcome the challenge of bringing remote presenters and participants together for your event. At home, at work or at the venue, Chime Live connects everyone via live stream, enabling you to carry on with keynote presentations, topic streams and breakouts as planned.

Chime Live combines high quality video streaming in our award-winning Chime attendee platform for engaging, transformative and insightful meetings. The interactive features help overcome distractions and keep engagement levels high. Post-event, you can share recorded sessions for participants who missed or want to replay a session. Review Chime Live's analytics to help you evaluate data and report on results.
